PETITION TO RESEND NOTICE OF ALLOWANCE

Dear Sir:

This Petition To Resend is directed to the Notice of Allowance mailed August 16, 2006. As detailed in the accompanying Declaration Of Dale F. Regelman, the August 16, 2006 Notice of Allowance (the "Missing Notice Of Allowance") was not received.

On Saturday, November 18, 2006, my office was checking the status of various pending matters before the United States Patent and Trademark Office using the Private PAIR facility. See, Declaration Of Dale F. Regelman (hereinafter "Regelman Declaration"), at Paragraph 3. Upon reviewing the PAIR data for the above-referenced case we learned that a Notice Of Allowance was mailed on August 16, 2006. See, Regelman Declaration at ¶ 4. I never

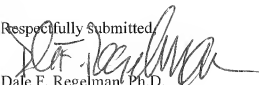

received that Notice Of Allowance. See, Regelman Declaration at ¶ 5.

Exhibit "A" to the Regelman Declaration is a true and accurate copy of the Docket System entries for the above-referenced matter. See, Regelman Declaration at ¶ 6. That Exhibit "A" does not include an entry for the missing Notice Of Allowance. See, Regelman Declaration at ¶ 7.

Applicants respectfully request that the Missing Notice Of Allowance be resent. Applicants further respectfully request that the Resent Notice Of Allowance be re-dated to reflect the mailing date of that Resent Notice Of Allowance.

In the event there are any fee deficiencies or additional fees are payable, please charge them, or credit an overpayment, to our Deposit Account No. 502262.

Respectfully Submitted,

Dale F. Regelman, Ph.D.
Attorney for Applicants
Reg. No. 45,625
